NIAM WEEKLY WARRIOR

1201 S Hwy 360, Mansfield, Texas 76063 | Phone 682-400-4010

ISSUE 31 APRIL 22-26

Parents, thank you for working with your children to prepare for the STAAR. Also, we have some big dates coming up in May so please follow us on Facebook and utilize this newsletter to stay abreast. It is time to really get focused and give it all you've got as we finish the year with scores that top the charts. Please help your child get plenty of rest at night, and a good protein filled breakfast in the mornings. Reading for a few minutes and putting a few thoughts in a journal will also go a long way in preparing for the test and the future. Let's run through the tape and end this year with success, continuing to grow in wisdom, stature and favor.
